Re: Myron Evans

Craig-Cefn Parc
DOB: 25/5/50

To Whom It May Concern,

This is to confirm that Mr Evans is not currently suffering from any psychiatric disorder. He tells me that he wishes to institute legal proceedings against an employer and he is at present of sufficiently sound mind to make this decision.

If you require further information or medical statements, please contact the surgery on the above address with details of your request, with the patient's consent.

Your Sincerely,

Dr Shah
